## Policies and Authorization of Provider Payments:

- Participants have the opportunity to utilize provider payments for any fixed payment amount to eligible mortgage, rental, education or other providers as deemed eligible by your Program. Payments are generated as a physical check and mailed to the provider two business days *after* processing. Utilization of the provider payment service is strictly voluntary and may be revoked or amended by FSA TPA or your Tribe at any time.
- Participants requesting a provider payment must provide a completed authorization form and supporting documentation for payment as required by the Program.
- FSA TPA nor the Tribe is responsible for late, lost or misapplied payments.
- I hereby authorize and request FSA TPA to remit payment from my Tribal Benefit account to the service provider listed above. I certify the amount listed is correct and the payment represents an eligible expense under the Tribal Member Benefit Program. I understand it may take up to 7 days for a one-time payment to be processed and up to 30 days for a recurring payment to be active on my account.
- This authorization is to remain in full force and effect until FSA TPA has received written notice from me of its termination in such time and in such manner as to afford FSA TPA reasonable opportunity to act on such notice.
